- Trade in goods ($4.7 million a year) is modest for Burundi, much less so for the DR Congo.
- In its UN General Debate speeches, Burundi names the DR Congo more often than the reverse (60 sentences against 32).
- 224,000 people born in the DR Congo live in Burundi (UN DESA counts place of birth, however long ago they moved). A separate count, by UNHCR: 111,000 refugees and asylum seekers from the DR Congo in Burundi; the two counts measure different things and are not added up.

| **Shared clubs** | **High** | The list of tracked groups is fixed; membership is checked by hand. |
| **Index** | **High** | As sure as the weaker of its two required parts, votes and trade. Security and shared clubs add to it but never make it surer. |
