## IN SHORT

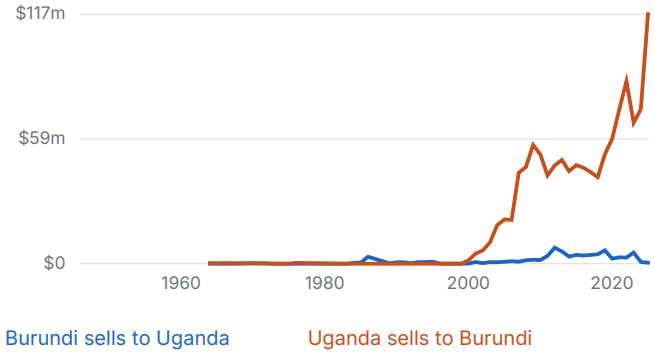

- At the UN their vote agreement is 94% (2022–2024), among the highest either of them has with any country.
- Trade in goods ($87 million a year) is very important for Burundi, much less so for Uganda.
- In its UN General Debate speeches, Uganda names Burundi far more often than the reverse (37 sentences against 8).
- 42,000 people born in Burundi live in Uganda (UN DESA counts place of birth, however long ago they moved). A separate count, by UNHCR: 47,000 refugees and asylum seekers from Burundi in Uganda; the two counts measure different things and are not added up.
