- In its UN General Debate speeches, Venezuela names Hungary far more often than the reverse (6 sentences against 0).
- 977 people born in Venezuela live in Hungary (UN DESA counts place of birth, however long ago they moved).

HOW SURE WE ARE

UN votes	**None**	No shared UN votes are on record for the years the headline covers. One of the two did not vote in them: an observer state, a country not yet a member, or a member that could not vote.
Trade	**High**	Goods trade is reported in 3 of the 3 years 2023–2025. Goods only, from customs data (IMF); services and energy pipelines are not in it.
Security	**High**	The Uppsala Conflict Data Program covers every state up to 2025. It counts only conflicts with at least 25 battle deaths a year.
Shared clubs	**High**	The list of tracked groups is fixed; membership is checked by hand.
Index	**None**	No index is shown: it needs both a votes score and a trade score.
