- At the UN their vote agreement is 61% (2022–2024), among the lowest either of them has with any country.

- In its UN General Debate speeches, Portugal names Iraq far more often than the reverse (39 sentences against 10).
- 289 people born in Iraq live in Portugal (UN DESA counts place of birth, however long ago they moved). A separate count, by UNHCR: 515 refugees and asylum seekers from Iraq in Portugal; the two counts measure different things and are not added up.
