- Only part of their trade in goods is on record ($2 thousand a year): the IMF data have no exports from Laos to Jordan in these years, which may mean there were none or that they were not reported.

| **Shared clubs** | **High** | The list of tracked groups is fixed; membership is checked by hand. |
| **Index** | **Low** | As sure as the weaker of its two required parts, votes and trade. Security and shared clubs add to it but never make it surer. |
