THE FACTS

Words	Since 1998, when Palestine first spoke in the General Debate, Palestine has named Bahrain in 2 sentences and Bahrain has named Palestine in 91.
Security	No armed conflict between the two governments is recorded since 1946 (UCDP, data to 2025).
People	5,500 people born in Palestine live in Bahrain and 7,900 born in Bahrain live in Palestine (2024, UN DESA).
People	Their national football teams have met 7 times.

HOW SURE WE ARE

UN votes	**None**	No shared UN votes are on record for the years the headline covers. One of the two did not vote in them: an observer state, a country not yet a member, or a member that could not vote.
Trade	**None**	There is no trade series for one of the two, so there is no trade score.
Security	**None**	Not computable: one of the two is a UN non-member observer State, and UCDP's data records wars between states only.
Shared clubs	**High**	The list of tracked groups is fixed; membership is checked by hand.

Index	**None**	No index is shown: it needs both a votes score and a trade score.
