# Venezuela & Israel

# n/a

## Not enough data

Relationship index, −100 to +100. Votes and security run from −100 to +100; trade and shared clubs from 0 to 100.

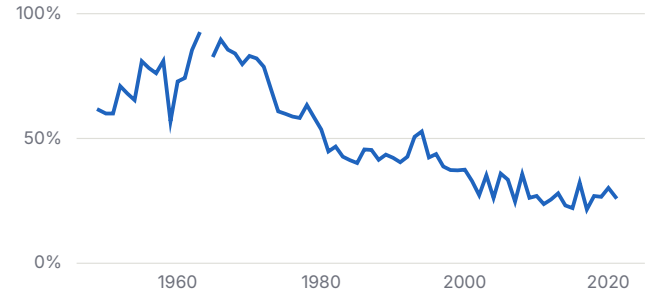

## IN SHORT

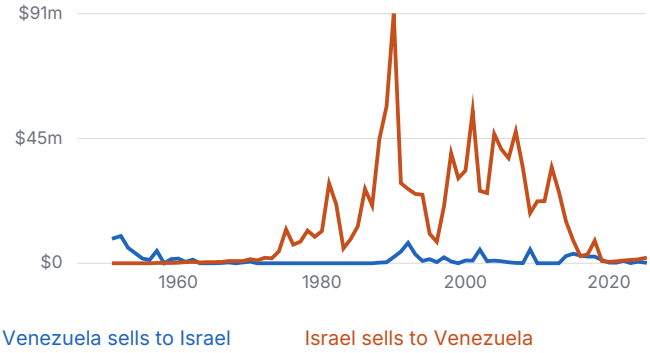

- Trade in goods ($1.8 million a year) is a very small part of either country's trade, under 0.5%.
- In its UN General Debate speeches, Venezuela names Israel far more often than the reverse (23 sentences against 2).
- 1,800 people born in Venezuela live in Israel (UN DESA counts place of birth, however long ago they moved).

## OVER TIME

**Share of recorded UN votes cast the same way**

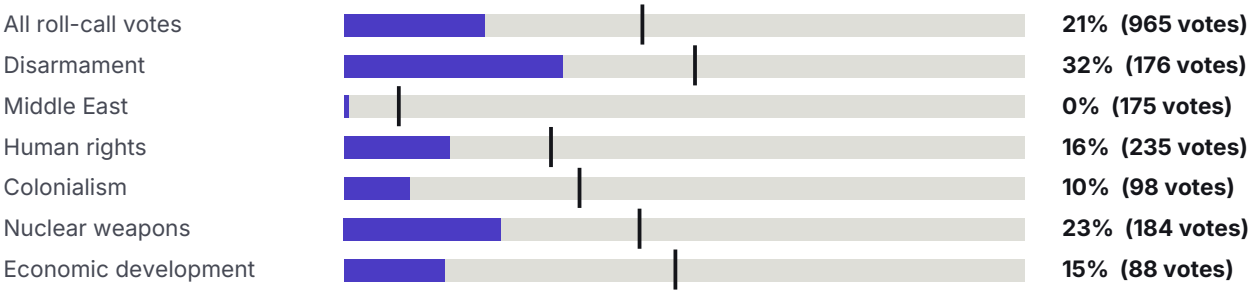

**Goods exports each way (US dollars)**

## VOTES TOPIC BY TOPIC (SINCE 2010)

Most alike on disarmament (32% of votes the same), furthest apart on Middle East (0%), against 21% on all votes since 2010.

Bar: since 2010. Mark: all years. Share of roll-call votes on whole texts cast the same way, counted vote by vote; an abstention against a yes counts as a difference. Disarmament, colonialism and economic development count votes up to 2018.

## THE FACTS

| | |
|---|---|
| **Trade** | Trade in goods between them averaged $1.8 million a year in 2023–2025: less than 0.1% of all Venezuela's trade and less than 0.1% of Israel's. |
| **Words** | Since 1946, Venezuela has named Israel in 23 sentences of its General Debate speeches; Israel has named Venezuela in 2. |
| **Security** | No armed conflict between the two governments is recorded since 1946 (UCDP, data to 2025). |
| **People** | 1,800 people born in Venezuela live in Israel and 420 born in Israel live in Venezuela (2024, UN DESA). |

## HOW SURE WE ARE

| | | |
|---|---|---|
| **UN votes** | **None** | No shared UN votes are on record for the years the headline covers. One of the two did not vote in them: an observer state, a country not yet a member, or a member that could not vote. |
| **Trade** | **High** | Goods trade is reported in 3 of the 3 years 2023–2025. Goods only, from customs data (IMF); services and energy pipelines are not in it. |
| **Security** | **High** | The Uppsala Conflict Data Program covers every state up to 2025. It counts only conflicts with at least 25 battle deaths a year. |
| **Shared clubs** | **High** | The list of tracked groups is fixed; membership is checked by hand. |
| **Index** | **None** | No index is shown: it needs both a votes score and a trade score. |

## SOURCES AND HOW TO CITE

UN votes, speeches, mentions and trade: Nations on Record (UN General Assembly voting data, UN General Debate Corpus, IMF International Trade in Goods). Armed conflict: Uppsala Conflict Data Program, version 26.1. Migration: UN DESA International Migrant Stock 2024. Refugees: UNHCR. Football: international results archive (CC0). Every score follows fixed rules written out on /method; AI never sets a score. Independent and non-commercial; not affiliated with the United Nations.
